USDC for ED of PA, No. 24-CV-05618
Our File No. 1758.1261

Dear Judge Reid:

Our office represents Defendant Mariesha Apollon in this matter. The case is scheduled for a settlement conference with Your Honor on June 23, 2025.

I am aware that your conference order requires the presence of my client's decision-maker. My client's Complex Claims Consultant, Kathleen Miller, will be the representative for my client. Her office is in Glastonbury, CT. Ms. Miller has asked me to request Your Honor that she be allowed to participate in the conference remotely, either via video connection or phone.

Thank you for your kind consideration of this request

Very truly yours,

JONATHAN M. KAMINSKY
